BOLDERBoulder: Third-Largest U.S. Race in 2025; Largest 10K

Running USA, the premier trade organization for the road race industry, recently released its list of the 100 Largest Road Races in the United States for 2025, with the BOLDERBoulder ranking as the third-largest race in the country and the largest 10K in the United States. The BOLDERBoulder 10K, named America's All-Time Best 10K by *Runner's World*, continues to stand as one of the most iconic and celebrated road races in the world.

In 2025, 45,142 finishers crossed the iconic finish line inside Folsom Field on the University of Colorado Boulder campus. The total places the BOLDERBoulder among the most participated road races nationwide and solidifies its standing as one of the premier mass-participation events in the sport.

Only two events finished ahead of the BOLDERBoulder on the 2025 list: the TCS New York City Marathon and the Bank of America Chicago Marathon, making the BOLDERBoulder the largest race in the western United States.

“We are excited to learn of our ranking, but what matters most to us has always been the people and the experience,” said race director Cliff Bosley. “The BOLDERBoulder is about so much more than size or rankings. Each Memorial Day, we come together as a community to celebrate movement, honor service, and create lifelong memories for tens of thousands of people. From first-time participants to world-class athletes, everyone who steps onto the course is part of something special, and that shared experience is what continues to inspire us year after year.”

The 2025 BOLDERBoulder, welcomed participants of all abilities to run, jog, or walk at their own pace. Along the course, participants were entertained by official musical acts and spectator-created fun zones, culminating in the signature finish inside Folsom Field. The event concluded with the International Team Challenge and one of the nation's largest Memorial Day tributes, honoring the American service members who have fallen in defense of the United States.

2025 Race Highlights
